

2016

Viognier

Sierra Foothills

Winemaker's Notes

Our 2016 Viognier was produced from a small, family farmed vineyard near Auburn in the Sierra Foothills. The grapes were whole-cluster pressed, cold fermented and tank aged to preserve the intense aromatics and lush flavors.

Tasting Notes

Aromas of tropical fruit and honeysuckle with flavors of mango, pear and citrus on the finish. A medium bodied white that is soft on the pallet yet refreshingly dangerous.

Technical Info

Harvest Date: *August 25, 2016*

Cases Produced: 120
