

# BOTTLE JACK

## *Viognier* *Central Coast*

### Winemaker's Notes

This is a French variety with a tricky spelling, but don't let the name intimidate you - "Vee-own-yay". Our viognier was whole-cluster pressed, cold fermented and aged in 100% stainless steel to preserve its bright, crisp character and concentrated aromas.

### Tasting Notes

Bright and crisp with notes of green apple, grapefruit and pineapple with a refreshing acidity.
